VOCATIONAL REHABILITATION TEMPORARY DISABILITY (REVISED 6/90)

2583.10

Under Labor Code Section 139.5 a qualified injured employee enrolled in and approved vocational rehabilitation program shall continue to receive temporary disability benefits, or Industrial Disability Leave, or for injuries on or after January 1, 1990, a vocational rehabilitation maintenance benefit, if appropriate, even though his/her medical condition has stabilized. For further information on this benefit contact your local State Compensation Insurance Fund office.
