

**SAM – INFORMATION TECHNOLOGY
(California Technology Agency)**

GENERAL
(Revised 09/02)

4819

The SAM Section 4819 provides definitions and summarizes the compliance requirements for the administration of information technology in state government. Additional detail regarding specific requirements, policies or procedures is provided throughout SAM Sections 4800–5953, SAM Sections 6700 – 6780, and the State Information Management Manual (SIMM).
