

**SAM—WASTE PREVENTION AND RECYCLING OF
NON-HAZARDOUS WASTE**

GENERAL POLICY
(Revised 12/13)

1900

The Department of Resources, Recycling and Recovery (CalRecycle) is committed to reducing the amount of solid waste entering landfills, and to assist state agencies and facilities in meeting required waste diversion goals, and to enact programs for all recyclable materials where feasible. CalRecycle's Internet location is <http://www.calrecycle.ca.gov/>.

For information on state agency requirements and assistance: <http://www.calrecycle.ca.gov/StateAgency/>.
