STATE AGENCY BUY RECYCLED CAMPAIGN (SABRC)

1960

(Revised 12/13)

Purchasing is a key component in any comprehensive waste management program including buying recycled content products. All state agencies are required to comply with the purchase requirements of the State Agency Buy Recycled Campaign

The State Agency Buy Recycled Campaign (SABRC), pursuant to Public Contract Code (PCC) Sections 12200-12217, was created to promote the increase of state purchases of recycled content products, particularly to encourage the expansion of businesses located in California that manufacture and/or distribute recycled content products, and to encourage the purchase of products that utilize recycled resources. Pursuant to SABRC requirements, state agencies and the Legislature are required to purchase products made with post-consumer recycled content and to report annually to the Department of Resources Recycling and Recovery (CalRecycle) on product purchases within the eleven categories of material types. Please refer to CalRecycle's website for the most up to date information on the SABRC program annual reporting requirements, and product categories: (<http://www.calrecycle.ca.gov/BuyRecycled/StateAgency/>).

Please refer to the State Contracting Manual (SCM) on how the SABRC program relates to the contracting process. SABRC information is included in Volume 2, Chapters 3 and 12 and SCM Volume 3, Chapters 3 and 12.
