

**SAM—WASTE PREVENTION AND RECYCLING OF
NON-HAZARDOUS WASTE**

CONTRACTS FOR COLLECTION OF GARBAGE
(Revised 12/13)

1980

State facility contracts for the collection of garbage must provide for the greatest diversion of discarded materials from landfilling. All garbage collection and hauling contracts with the State should allow flexibility to reduce container size, the number of containers, or pickup frequency to avoid unnecessary costs for excess or unused garbage container capacity.
