ACCOUNT NO. 2710, Permanent Cash Revolving Fund

ACCOUNT NO. 2720, Securities and Other Property Held in Trust

Shows any property other than cash that is held in trust. It includes securities held in trust, such as bank passbook accounts or certificates of deposit, to guarantee compliance with certain state requirements. It does not include surety bonds or other similar policies. This account is used regardless of whether the agency holds the property or sends it to the State Treasurer for safekeeping.

Use of this account requires separate accounting and reporting. In most instances, State of California accounting involves recording and reporting on activities that have occurred in a fund in the State Treasury. There are some exceptions to this procedure, one of which is assets held in trust outside the State Treasury. Although assets held in trust outside the centralized State Treasury System have not been remitted/identified to a specific fund, the activities must still be reported for financial purposes. Therefore assets held in trust must be recorded and reported as if they were activities related to a unique and separate fund. Departments that use this account should keep a separate ledger and prepare separate year-end financial statements for activities of this account. For accounting systems that require an individual fund number to segregate activities, departments are instructed to use fund No. 0990 - Fiduciary Funds Outside the Centralized Treasury System.

ACCOUNT NO. 2730, Deposits in Condemnation Proceedings

Shows deposits in the Condemnation Deposits Fund and in courts pertaining to condemnation suits on which final settlement has not yet been made either from the Condemnation Deposits Fund or from other funds. These deposits are fully reserved in Account No. 5390, Other Reserves.

ACCOUNT NO. 2740, Inventory of Surveyed Property

Shows the estimated sales value of surveyed property at the end of any fiscal year in which the new equipment has been paid or will be paid from the appropriation being reported. The estimated sales value must have been budgeted as an abatement in accordance with SAM Section 10220 item 6.
