

## **SAM – DISBURSMENTS**

### **GASOLINE AND OIL INVOICES**

**8422.102**

(Revised 12/89)

The original copies of invoices will be filed with the State Controller's Office in claims for payment of credit card purchases. Credit card delivery tags will be retained by the agency for a period of six months from the date the claim is filed for payment. The State Controller's Office, at its discretion, may audit delivery tags in the agency's office to the extent deemed necessary in-lieu of a pre-audit of the tags at the time of approving invoices for payment. Since it is the responsibility of the agency to determine that invoices presented for payment are correct in all respects, the agency will audit the delivery tags to determine the propriety of charges and correctness of invoices for credit card purchases before filing a claim for payment. The arithmetical accuracy of invoices will be verified as described in SAM Section 8422.1.

Unleaded regular gasoline will be used in all but a few state-owned automobiles. (See SAM Section 3687.1) Invoices and related delivery tags for premium unleaded gasoline, where its use is prohibited, will be adjusted to reflect unleaded regular gasoline prices. The same procedure will be observed for the purchase of oil at more than the Office of Procurement contract price.

Amounts collected from employees for unauthorized purchases of gasoline and oil will be deposited in the agency's general cash account (revolving fund account if the agency does not have a general cash account) pending their remittance to the vendor. (See SAM Section 8422.3)
