

SUBSIDIARY REVENUE ACCOUNTS

8213

(Revised 2/99)

Subsidiary revenue accounts provide accounting information which is used to prepare financial statements and other fiscal reports. The first four digits of the six-digit subsidiary revenue code represent the minimum level required for state financial reporting purposes. The last two digits may be used by departments requiring greater detail. A complete listing of all subsidiary revenue accounts is in the Uniform Codes Manual (UCM).
