Detailed list of items supporting this entry. This list will be retained by the agency as an accounting document for audit purposes.

Explanation:

This entry is made only for those capital assets that were budgeted to be traded-in during the fiscal year and have been surveyed but are still on hand pending sale in lieu of trade-in. The purpose of this entry is to accrue the estimated sales value of surveyed capital assets as an abatement to the appropriation expenditure account of the fiscal year just ended and to write-off from the capital asset accounts.
