ACCESSIBILITY STANDARDS

1452.1

(New 12/13)

The [DSA](#) develops access-related building code amendments for both government facilities and privately owned public accommodations and commercial facilities. These amendments are contained in [Chapter 11B of Part 2 of Title 24, CCR](#). The DSA coordinates its amendments with the requirements of federal Americans with Disabilities Act Standards and also maintains reference resources to assist clients in meeting accessibility standards.

The DSA Access Compliance Section assists in the administration of Certified Access Specialist program (CAsp). This program certifies individuals who can render opinions as to the compliance of buildings and sites with the accessibility building standards.

For additional information on DSA services for accessibility standards refer to the DSA web site at <http://www.dgs.ca.gov/dsa/Programs/progAccess.aspx#t1>.
