The State Library's Government Publications Section is responsible for coordinating the distribution of printed and processed State publications. It also prepares monthly lists of new State publications.

This Government Publications Section also helps your agency Publications Representative understand the rules and answer questions about the operation of a library distribution system. It is not always easy to decide if a publication should be distributed or not. This is especially true in the case of similar publications issued by different agencies. If you have questions, you are encouraged to call the State Library.
