VEHICLE INSPECTIONS

4123

(New 2/2016)

All vehicles shall be inspected for acceptance at the delivering dealer's place of business prior to delivery to the purchasing State agency. See SAM Section 4112. This inspection determines that all specifications are met and that the dealer has performed properly the pre-delivery inspection and servicing. The DGS will provide the services of Inspectors of Automotive Equipment to perform the acceptance inspection prior to delivery for all departments in the Inspection Services Program. The owning agency, on receipt of vehicle, should check for any damage incurred in transit from dealer to point of delivery. It is the owning agency's responsibility to license the vehicles and put them in service.
