

**SAM – INFORMATION TECHNOLOGY
(California Department of Technology)**

STATUTORY PROVISIONS AND APPLICATION/GENERAL
(Revised 6/2015)

4819

The State Administrative Manual (SAM) Section 4819 provides definitions and summarizes the compliance requirements for the administration of information technology (IT) in state government. Additional detail regarding specific requirements, policies or procedures is provided throughout SAM Sections 4800–5953, SAM Sections 6700 – 6780, and the Statewide Information Management Manual ([SIMM](#)).
