

## **SAM - BUDGETING**

### **LEGISLATION**

**6910**

(New 2/1998)

Measures considered by the Legislature fall into six classes. There are differences among these classes in their requirements for passage and the weight of authority they carry. The six classes are Bills, Constitutional Amendments, Joint Resolutions, Concurrent Resolutions, House Resolutions, and Rules Committee Resolutions. Each of these types of measures are designated as originating either in the Assembly or the Senate and are assigned a number. The first of any given type of measure to be introduced in a session is numbered "1" and the numbering continues sequentially throughout the two-year session. At the beginning of a new session, the numbering starts over. For example, the tenth Senate bill introduced in a session is labeled "SB 10"; the third Assembly Constitutional Amendment is "ACA 3.")
