

Home → FDD → project status

## Project Status Search

From this page, you will be able to find the status of any project that the Office is currently working on using FDD's eServices Portal. Select the eServices Portal link under "Construction of Facilities" below to begin your search.

### CONSTRUCTION OF FACILITIES

  - Alameda County → Lassen County (.zip, 1.81 MB)
  - Los Angeles County (.zip, 3.52 MB)
  - Madera County → San Benito County (.zip, 2.7 MB)
  - San Bernardino County → San Mateo County (.zip, 2.75 MB)
  - Santa Barbara County → Yuba County (.zip, 2.01 MB)

#### eServices Portal (eSP) County-wide Project Status Reports

 eSP Projects by County reports are now available through the **OSHDP Report Center**, <http://report.oshpd.ca.gov/>

Instructions to see projects by county using the OSHDP Report Center:

1. Go to the **OSHDP Report Center**, (<http://report.oshpd.ca.gov/>)
2. Select *Facilities Development Division* from the *Select a Division* dropdown list.
3. Select *Projects by County* from the *Select a Report* dropdown list.
4. Choose the counties to show in the report from the *County* list.  
*NOTE: to remove a county from the report list, uncheck the check box.*
5. Select the project status from the *Status* list.
6. Click the *View Report* button to see the report.
7. Repeat steps 4-6 to view a different county report.

Export, Save, or Print the report

1. Click on the disk icon located below the *Status* dropdown.
2. Choose a file type from the dropdown list.
3. A prompt to open, save, or cancel will appear at the bottom of the screen.
4. Click on the *Save* button to save the report.
5. Click on the *Open* button to open the report.
6. After the report is opened or saved, use the *Ctrl+P* command, choose *Print* from the *File* menu, etc. to print the report.
