

**ADDENDUM TO  
INITIAL STATEMENT OF REASONS  
FOR  
PROPOSED BUILDING STANDARDS  
OF THE  
DIVISION OF THE STATE ARCHITECT - STRUCTURAL SAFETY (DSA-SS AND DSA-SS/CC)  
  
REGARDING PROPOSED CHANGES TO  
2016 CALIFORNIA BUILDING CODE  
CALIFORNIA CODE OF REGULATIONS, TITLE 24, PART 2**

**Note: This Addendum adds reason statement for the repeal of Chapter 34 contained in the 2013 CBC, Part 2, Title 24, C.C.R.**

---

**[The DSA-SS and DSA-SS/CC propose to repeal the amendments to Chapter 34 and relocate to Chapter 3, Part 10, Title 24, C.C.R., since the model building code has deleted Chapter 34 in its entirety.]**

**Title 24, Part 2, Volume 2  
Chapter 34 – Existing Structures**

Chapter 34 “Existing Structures” of the 2015 International Building Code (IBC), was deleted in its entirety and those provisions are contained in the 2015 International Existing Building Code (IEBC). DSA is repealing the DSA-SS and DSA-SS/CC amendments to Chapter 34 and relocating them to the 2016 California Existing Building Code (CEBC), Part 10. The California amendments contained in Chapter 34, Sections 3417-3423 of the 2013 CBC, are being relocated in whole, with editorial updates, to Sections 317-323 of the 2016 CEBC.
