

**FINAL STATEMENT OF REASONS  
FOR  
PROPOSED BUILDING STANDARDS  
OF THE  
DIVISION OF THE STATE ARCHITECT – STRUCTURAL SAFETY (DSA-SS)**

**REGARDING THE CALIFORNIA GREEN BUILDING STANDARDS CODE (CALGreen Code),  
CALIFORNIA CODE OF REGULATIONS (CCR), TITLE 24, PART 11**

**(DSA-SS 07/15)**

The Administrative Procedure Act requires that every agency shall maintain a file of each rulemaking that shall be deemed to be the record for that rulemaking proceeding. The rulemaking file shall include a final statement of reasons. The Final Statement of Reasons shall be available to the public upon request when rulemaking action is being undertaken. The following are the reasons for proposing this particular rulemaking action:

**UPDATES TO THE INITIAL STATEMENT OF REASONS**

DSA-SS finds that no revisions are required, nor warrant changes to the initial statement of reasons, as a result of the public comment period.

**MANDATE ON LOCAL AGENCIES OR SCHOOL DISTRICTS**

Because the scoping requirements and outdoor water use regulations of the green building standards proposed contains mandatory measures, DSA has determined that the proposed regulatory action imposes a mandate on local agencies or school districts. However, the mandate does not require reimbursement pursuant to Part 7 (commencing with section 17500) of Division 4, Government Code.

**OBJECTIONS OR RECOMMENDATIONS MADE REGARDING THE PROPOSED REGULATION(S).**

**45 DAY COMMENTS**

No comments received.

**DETERMINATION OF ALTERNATIVES CONSIDERED AND EFFECT ON PRIVATE PERSONS**

This is not applicable to the DSA because DSA's proposed regulations only apply to public schools and community colleges.

**REJECTED PROPOSED ALTERNATIVE THAT WOULD LESSEN THE ADVERSE ECONOMIC IMPACT ON SMALL BUSINESSES**

This is not applicable to the DSA because DSA's proposed regulations only apply to public schools and community colleges.
