We agree and fully support the proposed modifications regarding PEX tubing, as issued on July 10, 2008. This includes the modifications issued for all agencies listed:

- Building Standards Commission(BSC)
- Division of the State Architect-Structural Safety(DSA- SS)
- Office of Statewide Health Planning and Development (OSHPD)
- Housing and Community Development(HCD)

We believe that PEX tubing should be a clear option for use in any jurisdiction in California.

Sincerely,
