**SUBJECT:** Update regarding July 1, 2014 effective date of delayed energy provisions of the 2013 California Building Standards Code, Title 24

The purpose of this Information Bulletin is to bring attention to the July 1, 2014, effective date for those energy related provisions of the 2013 California Building Standards Code, Title 24, California Code of Regulations. Building Standards Information Bulletin 13-07 dated December 18, 2013, provided information as to the reason for the change in the effective date for specific energy related provisions while other provisions of the 2013 California Building Standards Code became effective on January 1, 2014.

On July 1, 2014, the following Title 24 provisions will become effective:

- **2013 California Energy Code, Part 6**
- **2013 California Administrative Code, Part 1, Chapter 10**
- **2013 California Green Building Standards Code (CALGreen), Part 11**  
Specific sections identified in Building Standards Information Bulletin 13-07 as being delayed will become effective. Building Standards Information Bulletin 13-07 is available at the CBSC website <http://www.bsc.ca.gov/> at the Publications tab.
