Dear Ms. Michelle Van Dyke:

This letter is to acknowledge receipt on December 23, 2010 of the City of Blythe submittal pertaining to Resolution No. 846-10 with findings and is acceptable for filing. Per Health and Safety Code Section 17958.8 no modification or change to the California Building Standards Code shall become effective or operative for any purpose until the finding and the modification or change have been filed with the California Building Standards Commission (the Commission).

This letter attests only to the filing of these local modifications with the Commission, which is not authorized by law to determine the merit of the filing.

As a reminder, local modifications are specific to a particular edition of the Code. They must be readopted and filed with the Commission in order to remain in effect when the next triennial edition of the Code is published. In addition, should you receive Fire Protection District ordinances for ratification, it is required to submit the ratified ordinances to the Department of Housing and Community Development [H&SC Section 13869.7(c)], attention State Housing Law Program Manager, rather than the Commission.

If you have any questions or need any further information, you may contact me at (916) 263-0916.

Sincerely,

Enrique M. Rodriguez
Associate Construction Analyst

CITY OF BLYTHE
BUILDING STANDARDS COMMISSION

ORDINANCE NO. 846-10

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF BLYTHE AMENDING TITLE 15, *BUILDINGS AND CONSTRUCTION*, AND TITLE 17, *ZONING*, OF THE BLYTHE MUNICIPAL CODE

WHEREAS, on July 1, 2010, the California Building Standards Commission (CBSC) published the 2010 Edition of Title 24, Parts 1-6 and 8-12, effectively adopting new building codes ("2010 California Building Code"); and

WHEREAS, under Building Standards Commission mandate, jurisdictions have 180 days after publication in Title 24 to adopt the new codes; and

WHEREAS, state law requires the adopting local government to make express findings that modifications and changes are necessary before enacting said modifications and changes; and

WHEREAS, the City Council of Blythe expressly finds that amendments to the 2010 California Building Code, adopted by reference, are reasonable and necessary because of local climatic, geological, and topographical conditions within the City of Blythe and the Palo Verde Valley.

- A. The Palo Verde Valley experiences summer temperatures exceeding 110° Fahrenheit. Adverse climatic conditions increase the likelihood that children will attempt to gain entry into a pool area. The higher fence height, gate-opening hardware height and requirement for permits for pools of a specific size have been found to be necessary to safeguard the public from unnecessary drownings.
- B. The Palo Verde Valley experiences severe Santa Ana winds and storms creating wind gusts of 80 miles per hour. Those conditions could topple an unsafely constructed fence and injure the public.

WHEREAS, other modifications are of an administrative or procedural nature and concern themselves with subjects that are not covered by the codes but are reasonably necessary to safeguard life and property within the City of Blythe.

WHEREAS, the purpose of this Ordinance is to: 1) adopt by reference the new 2010 California Building Codes; 2) authorize changes, deletions, and restructuring of this Title to make it conform with the new California Codes; and, 3) amend certain provisions of the 2010 California Building Code as necessary for local climatic, geological, and topographical conditions.

NOW THEREFORE, the City Council of the City of Blythe does ordain as follows:

Section 1: The City Council of the City of Blythe does hereby adopt by reference the 2010 California Building Code by amending Title 15 of the Blythe Municipal Code Sections 15.02.010, 15.04.010, 15.04.011, 15.04.013, 15.04.014, 15.04.015, 15.10.010, 15.10.020, 15.10.030, 15.12.010, 15.16.010, 15.20.010, 15.24.010, 15.24.020, 15.24.040, 15.24.070, 15.24.080, 15.24.110, 15.32.010 and 15.58.010; and creating Sections 15.06.010, 15.06.020, 15.06.030, 15.08.010, 15.08.020, 15.08.030, 15.08.040, 15.18.010, 15.18.020, 15.18.030, 15.26.010, 15.26.020, 15.26.030, 15.28.010, 15.28.020, 15.28.030, 15.30.010, 15.30.020 and 15.30.030; and deleting Sections 15.04.012 and 15.22.010. Amendment to Title 15 of the Blythe Municipal Code is attached to this ordinance and is incorporated as though fully contained herein.

Section 2: The City Council of the City of Blythe does hereby amend Title 17 of the Blythe Municipal Code by amending Section 17.52.020. Amendment to Title 17 of the Blythe Municipal Code is attached to this ordinance and is incorporated as though fully contained herein.

Section 3: Severability. If any section, subsection, sentence, clause or phrase of this ordinance is for any reason held to be invalid or unconstitutional by the decision of a court of competent jurisdiction, such decision will not affect the validity of the remaining portions of the ordinance. The City Council for the City of Blythe hereby declares that it would have passed this ordinance, and each section, subsection, clause sentence or phrase thereof, irrespective of the fact that any one or more other sections, subsections, clauses, sentences or phrases may be declared invalid or unconstitutional.

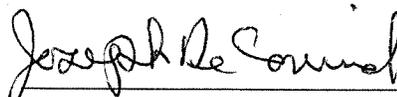

Section 4: The City Clerk shall certify to the passage hereof, and cause it to be posted as required by law. This ordinance shall take effect thirty days after its passage and adoption.

The Uniform Administrative Code, 1997 Edition, published and copyrighted in 1997 by the International Conference of Building Officials, including its indices, appendices and standards, one copy of which is on file in the office of the City Clerk, being marked and designated as "Uniform Administrative Code, 1997 Edition," is made a public record of the City and is adopted and made a part of this chapter, as if fully set out in this chapter; and each and all of the provisions, conditions and terms therein contained are referred to, adopted and made a part of this chapter; except as hereinafter expressly provided.

15.02.030 Administrative provisions.

Where any of the administrative provisions of the adopted codes of this chapter are in conflict with the Uniform Administrative Code, 1997 Edition, the Uniform Administrative Code, 1997 Edition, shall govern.

15.02.040 Owner's permit.

Any permit required under the codes adopted in Title 15 of the Blythe Municipal Code may be issued to an owner to do any work regulated by Title 15 in a single-

family dwelling or duplex, or commercial building, including the usual accessory buildings and quarters in connection with such buildings, in the event that any such person is the bona fide owner of any such dwelling and accessory buildings. However, any electrical or plumbing work done in structure that is not the bona fide residence of the owner shall be done by a licensed contractor. Said owner shall comply with the requirements of workman's compensation and insurance when hiring individuals. Nothing in this section shall be construed to exempt owners from complying with all other standards of the codes herein adopted.

15.02.050 Building permits.

Section 301.2.1 of the 1997 Uniform Administrative Code is amended:

A building permit shall be required for the following:

1. All lot-line perimeter fencing
2. All lot-line perimeter retaining walls

15.04.010 Adopted by reference.

The California Building Code, Title 24, Part 2, 2010 Edition, Volumes I and II, including appendices F and I, as adopted by the State of California, one copy of which is on file in the office of the City Clerk, being marked and designated as "California Building Code, 2010 Edition," is made a public record of the City and is adopted and made a part of this chapter as if fully set out in this chapter, and each and all of the provisions, conditions, and terms therein contained are referred to, adopted and made a part of this chapter except as hereinafter expressly provided.

15.04.011 Swimming pool barriers.

Section 3118B of the 2010 California Building Code is amended to read:

1. The enclosure shall have a minimum effective perpendicular height of 6 feet as measured from the outside.

Section 3118B.2 of the 2010 California Building Code is amended to read:

1. . . . Hand-activated door- or gate-opening hardware shall be located at least 54 inches from the bottom of the gate.

15.04.013 Building permits.

Section 105.2 of the 2010 California Building Code, Volume 1, is amended:

A building permit shall be required for the following:

1. All lot-line perimeter fencing
2. All lot-line perimeter retaining walls

15.04.014 Swimming pool permits.

Section 105.2, subsection 9, of the 2010 California Building Code, Volume 1, is amended to read:

9. Prefabricated swimming pools accessory to a Group R-3 occupancy that are less than 18 inches (610 mm) deep, do not exceed fifty square feet and are installed entirely above ground.

15.04.015 Findings.

For the purposes of this chapter, the following definition shall apply: "Outdoor swimming pool" means any pool over eighteen inches in depth or with a surface area exceeding fifty square feet, used or intended to be used for swimming or bathing, which is open on any one side or at the top.

The City Council finds that there are a number of outdoor swimming pools within the city and that the operation or maintenance of the same without adequate protective measures constitutes a severe hazard to the safety of the citizens of the city, and particularly to small children.

15.04.016 Fence--Required.

Every person in possession of land within the city, as either owner, purchaser, lessee, tenant or licensee, upon which is situated an outdoor swimming pool, shall at all times maintain on the lot or premises upon which such outdoor swimming pool is located and completely surrounding such pool, or completely surrounding the lot or premises upon which such pool is located, a fence or other solid structure not less than six feet in height, and having no opening therein, other than doors or gates as provided for in Section 15.04.017, larger than four inches in any dimension, except that a picket fence may be erected and maintained having no horizontal dimension between any of the pickets in excess of four inches. Such fence or other solid structure shall be constructed so as to prevent any person, including small children, from

crawling or passing through, under or over the same, except at doors or gates therein.

15.04.017 Fence--Self-closing, self-latching devices required on gates and doors.

All doors or gates opening through the fence or other solid structure required by Section 15.04.016, shall, at all times, be equipped with a self-closing and self-latching device designed to keep and capable of keeping such door or gate securely closed at all times when such door or gate is not in actual use. Any door of any dwelling occupied by human beings and forming any part of the solid enclosure referred to in the preceding section need not be equipped with the self-closing and self-latching device required by this section if the door is equipped with an audible warning system which sounds continuously for a minimum of thirty seconds immediately after the door is opened and resets within fifteen seconds.

The self-closing and self-latching device referred to in this section shall be placed at least three feet nine inches above the ground, or shall be so designed and installed as to be inaccessible to small children.

15.04.018 Owner's permit.

Any permit required under the codes adopted in Title 15 of the Blythe Municipal Code may be issued to an owner to do any work regulated by Title 15 in a single-family dwelling or duplex, or commercial building, including the usual accessory buildings and quarters in connection with such buildings, in the event that any such person is the bona fide owner of any such dwelling and accessory buildings.

However, any electrical or plumbing work done in structure that is not the bona fide residence of the owner shall be done by a licensed contractor. Said owner shall comply with the requirements of workman's compensation and insurance when hiring individuals. Nothing in this section shall be construed to exempt owners from complying with all other standards of the codes herein adopted.

15.04.020 Provisions construed as restatements.

The provisions of the California Building Code, adopted by reference in Section 15.04.010, insofar as they are substantially the same as existing provisions relating to the same subject matter, shall be construed as restatements and continuations thereof and not as new enactments.

15.04.030 Effect on permits issued under repealed ordinances.

Where the provisions of the California Building Code, adopted by reference in Section 15.04.010, require permits similar to permits required under ordinances repealed by the ordinance codified in this chapter,

permits issued under the repealed ordinances shall continue in full force and effect as if issued under the provisions of this chapter.

made a part of this chapter as if fully set out in this chapter, and each and all of the provisions, condition, and terms therein contained are referred to, adopted and made a part of this chapter except as hereinafter expressly provided.

15.24.020 Definitions and appointments.

A. Wherever the term "corporation counsel" is used in the California Fire Code, it shall be held to mean the attorney for the city of Blythe.

B. Wherever the word "jurisdiction" is used in the California Fire Code, it shall be held to mean the City of Blythe.

C. All references in the California Fire Code to the word Chief of the Fire Department shall be construed under this chapter to refer to the Fire Marshal.

D. All references in the California Fire Code relating to the fire prevention bureau shall be construed to mean the department of Development Services.

E. The Fire Marshal shall be appointed by the City Manager.

15.24.040 District limits--Storage of flammable or combustible liquids in outside aboveground tanks.

A. The limits referred to in Section 3404.2.9.6.1 of the California Fire Code, 2010 Edition, in which storage of flammable or combustible liquids in outside aboveground tanks is prohibited, is established as follows: Prohibited in R-E, R-L-1, R-L-1-72, R-L-2, R-M-L, R-M, R-H, C-N, A, P-D, S-P-R, R-R, P-Q-P, R/M-H, C-C and C-G zones as defined in Title 17 and as may be subsequently amended. Aboveground tanks as referred to in Section 3404.2.9.6.1 of the 2010 California Fire Code may be allowed in I-S and I-G zones with a conditional use permit.

B. Aboveground tanks for waste oil and hydrocarbon contamination removal, meeting city standards may be allowed with a conditional use permit in C-C, C-G, I-S and I-G zones, provided they do not exceed three hundred gallons in size and are adequately protected and screened.

15.24.070 Appeals.

Whenever the Fire Marshal disapproves an application or refuses to grant a permit applied for, or when it is claimed that the provisions of the code do not apply or that the true intent and meaning of the code have been misconstrued or wrongly interpreted, the applicant may appeal from the decision of the Fire Marshal to the City Council within thirty days of the decision.

15.24.080 New materials, processes or occupancies which may require permits.

The Director of Development Services and the Fire Marshal shall act as a committee to determine and specify, after giving affected persons an opportunity to

be heard, any new materials, processes or occupancies which shall require permits, in addition to those now enumerated in the code. ICC, National Recognized Testing Labs and the state of California approvals where applicable shall be guidelines for approval. The Fire Marshal shall post in his office, and distribute to interested parties copies of approved new materials, processes or occupancies.

15.24.090 Penalty for violation.

A. Any person who violates any of the provisions of the code adopted by this chapter, or fails to comply therewith, or who violates or fails to comply with any order made under such code, or who builds in violation of any detailed statement of specifications or plans submitted and approved under such code, or any certificate or permit issued under such code, and from which no appeal has been taken, or who fails to comply with such an order as affirmed or modified by the city council or by a court of competent jurisdiction, within the time fixed in this chapter, shall severally for each and every such violation and noncompliance respectively, be guilty of a misdemeanor, punishable by a fine of not more than three hundred dollars or by imprisonment for not more than ninety days or by both such fine and imprisonment. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue; and all such persons shall be required to correct or remedy such violations or defects within a reasonable time; and when not otherwise specified, each ten days that prohibited conditions are maintained shall constitute a separate offense.

B. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

15.24.110 Issuance of citations by designated officers.

Officers of the City who have discretionary duty to enforce a statute or ordinance are authorized to, pursuant to Penal Code Section 836.5 and subject to the provisions of this section, arrest a person without a warrant whenever any such officer has reasonable cause to believe that the person to be arrested has committed a violation of the Blythe Municipal Code or applicable state codes in the officer's presence which he or she has the discretionary duty to enforce and to issue a notice to appear and to release such person on the person's written promise to appear in court. Officers of the City shall not be allowed by their superiors to exercise the arrest and citation authority herein conferred, unless such officer is within a classification of City Officer designated by resolution of the City Council to exercise such arrest and citation authority.
