Ms. Kathleen Caldwell, Assistant City Clerk  
Adoption of the CCR Title 24  
City of Live Oak  
9955 Live Oak Boulevard  
Live Oak, California 95953

Dear Ms. Kathleen Caldwell:

This letter is to acknowledge receipt on November 12, 2010 of the City of Live Oak submittal pertaining to Ordinance No. 529 with no findings necessary and is acceptable for filing. Per Health and Safety Code Section 17958.8 no modification or change to the California Building Standards Code shall become effective or operative for any purpose until the finding and the modification or change have been filed with the California Building Standards Commission (the Commission).

This letter attests only to the filing of these local modifications with the Commission, which is not authorized by law to determine the merit of the filing.

As a reminder, local modifications are specific to a particular edition of the Code. They must be readopted and filed with the Commission in order to remain in effect when the next triennial edition of the Code is published. In addition, should you receive Fire Protection District ordinances for ratification, it is required to submit the ratified ordinances to the Department of Housing and Community Development [H&SC Section 13869.7(c)], attention State Housing Law Program Manager, rather than the Commission.

If you have any questions or need any further information, you may contact me at (916) 263-0916.

Sincerely,
