FOR
PROPOSED BUILDING STANDARDS
OF THE
OFFICE OF THE STATE FIRE MARSHAL
REGARDING MODIFICATIONS OF THE
2013 CALIFORNIA REFERENCED STANDARDS CODE
CALIFORNIA CODE OF REGULATIONS TITLE 24, PART 12**

Notice is hereby given that the California Building Standards Commission (CBSC) on behalf of the Office of the State Fire Marshal (SFM) proposes to adopt, approve, codify, and publish building standards contained in the California Code of Regulations (CCR), Title 24, Part 12.

PUBLIC COMMENT PERIOD

A public hearing has not been scheduled; however, written comments will be accepted from [DATE], until [TIME] on [DATE]. Please address your comments to:

California Building Standards Commission
2525 Natomas Park Drive, Suite 130
Sacramento, CA 95833
Attention: Jim McGowan, Executive Director

Written Comments may also be faxed to (916) 263-0959 or E-mailed to CBSC@dgs.ca.gov.

Pursuant to Government Code Section 11346.5 (a) 17, any interested person or his or her duly authorized representative may request, no later than 15 days prior to the close of the written comment period, that a public hearing be held.

POST-HEARING MODIFICATIONS TO THE TEXT OF THE REGULATIONS

Following the public comment period, the CBSC may adopt the proposed building standards substantially as proposed in this notice or with modifications that are sufficiently related to the original proposed text and notice of proposed changes. If modifications are made, the full text of the proposed modifications, clearly indicated, will be made available to the public for at least 15 days prior to the date on which the CBSC adopts, amends, or repeals the regulation(s). CBSC will accept written comments on the modified building standards during the 15-day period.

NOTE: To be notified of any modifications, you must submit written/oral comments or request that you be notified of any modifications.

AUTHORITY AND REFERENCE

The California Building Standards Commission proposes to adopt these building standards under the authority granted by Health and Safety Code section 18949.2. The purpose of these building standards is to implement, interpret, and make specific the provisions of Health and Safety Code section 18928.

The SFM is proposing this regulatory action pursuant to Health and Safety Code Sections 13108, 13211, 13113, 13113.5, 13114, 13132.7, 13133, 13135, 13143, 13143.1, 13143.6, 13143.9, 13146, 17921 and 18897.3

Government Code Section 11152.5.

INFORMATIVE DIGEST

Summary of Existing Laws

Health and Safety Code Section 13108 (a) The State Fire Marshal shall prepare and adopt building standards related to the means of egress, the installation of fire alarms and fire extinguishing systems in any state-owned building or in any state-occupied building.

Health and Safety Code Section 13113 A automatic sprinkler system shall be installed in all 24-hour institutional type occupancies, and homes for the care of aged or senile persons.

Health and Safety Code Section 13113.5 The State Fire Marshal Shall adopt regulations requiring the installation of automatic smoke detectors in all facilities which provide 24-hour per day care, which house six or fewer persons, and which do not have automatic sprinkler systems.

Health and Safety Code Section 13114 (a) The State Fire Marshal shall adopt regulations and standards to control the quality and installation of fire alarm systems and fire alarm devices marketed, distributed, offered for sale, or sold in this state, and that no person shall market, distribute, offer for sale, or sell any fire alarm system or fire alarm device in this state unless the system or device has been approved and listed by the State Fire Marshal.

Health and Safety Code Section 13132 Every person, firm, or corporation maintaining or operating any facility for the care of the mentally handicapped shall file a statement with the fire authority having jurisdiction within five days of the admission or readmission of a patient stating that such patient is an ambulatory or a nonambulatory person and enumerating the reasons for such classification. Such a statement shall also be filed for each existing patient within 30 days of the effective date of this section.

Any statement required to be filed pursuant to this section shall be certified as to its correctness by the person attending such patient.

It shall be unlawful for any person, firm, or corporation required to file a statement pursuant to this section to include false statements therein. Any such act shall be in violation of this section and subject to the provisions of Section 13112.

Health and Safety Code Section 13132.7 Mandates fire retardant roof coverings in fire hazard severity zones.

Health and Safety Code Section 13133 (a) The State Fire Marshal shall develop and adopt regulations establishing new occupancy classifications and specific fire safety standards appropriate for residential facilities, and residential care facilities for the elderly. These fire safety standards shall apply uniformly throughout the state.

Health and Safety Code Section 13135 The State Fire Marshal shall adopt regulations for alcoholism or drug abuse recovery or treatment facilities based on whether the residents or patients of the facilities are nonambulatory.

Health and Safety Code Section 13143 grants the State Fire Marshal authority to prepare and adopt regulations establishing minimum requirements for the prevention of fire and for the protection of life and property against fire and panic in any building or structure used or intended for use as an asylum, jail, mental hospital, hospital, home for the elderly, children's nursery, children's home or institution not otherwise excluded from the coverage of this subdivision, school, or any similar occupancy of any capacity, and in any assembly occupancy where 50 or more persons may gather together in a building, room, or structure for the purpose of amusement, entertainment, instruction, deliberation, worship, drinking or dining, awaiting transportation, or education.

Health and Safety Code Section 13143.1 (a) The State Fire Marshal shall prepare, adopt, and submit building standards for establishing minimum requirements for the prevention of fire and for the protection of life and property against fire and panic in any motion picture or television production facility.

Health and Safety Code Section 13143.6 (a) The State Fire Marshal shall prepare and adopt regulations establishing minimum standards for the prevention of fire and for the protection of life and property against fire in any building or structure used intended for use as a home or institution for the housing of any person of any age for protective social care and supervision services by any governmental agency, certified family care homes, out-of-home placement facilities, and halfway houses.

Health and Safety Code Section 13143.9 (a) The State Fire Marshal shall prepare, adopt, and submit building standards and other fire and life safety regulations establishing minimum requirements for the storage, handling, and use of hazardous materials.

Health and Safety Code Section 13211 The State Fire Marshal shall prepare and adopt building standards relating to fire and panic safety in high-rise structures.

Health and Safety Code Section 17921 (b) The State Fire Marshal shall adopt, amend, or repeal and submit building standards for approval pursuant to the provisions of Chapter 4 (commencing with Section 18935) of Part 2.5, and the State Fire Marshal shall adopt, amend, and repeal other rules and regulations for fire and panic safety in all hotels, motels, lodging houses, apartment houses and dwellings, buildings, and structures accessory thereto. These building standards and regulations shall be enforced pursuant to Sections 13145 and 13146; however, this section is not intended to require an inspection by a local fire agency of each single-family dwelling prior to its occupancy.

Health and Safety Code Section 18928 (a) requires each state agency adopting or proposing adoption of a model code, national standards, or specification shall reference the most recent edition of applicable model codes, national standards, or specifications.

Health and Safety Code Section 18897.3 Except as provided in Section 18930, the State Fire Marshal shall adopt minimum fire safety regulations for organized camps in accordance with the provisions of Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. The State Fire Marshal shall adopt and submit building standards for approval pursuant to Chapter 4 (commencing with Section 18935) of Part 2.5 of this division for the purposes described in this section.

Health and Safety Code Section 18949.2 (b) The State Fire Marshal shall remain the state agency responsible for developing building standards to implement the state's fire and life safety policy. In its role as the fire and life safety standard developing agency, the State Fire Marshal shall continue its existing activities and forums designed to facilitate compromise and consensus among the various individuals and groups involved in development of the state's codes related to fire and life safety.

(c) The state's fire and life safety building standards, as developed by the State Fire Marshal and as adopted by the commission, shall continue to be based on the state's fire and life safety policy goals and mandates as they existed prior to the enactment of this chapter and as they are amended.

Summary of Existing Regulations

The SFM currently adopts by reference the California Code of Regulations, Title 24, Part 12, 2010 California Referenced Standards Code with SFM amendments relating to regulations that establish minimum requirements for the prevention of fire and for the protection of life and property against fire and in any building or structure used or intended for use as defined in each of the Health and Safety Code references shown above.

Summary of Effect

The specific purpose of this rulemaking effort by the Office of the State Fire Marshal is to act accordance with Health and Safety Code section 18928, which requires all proposed regulations to specifically comply with this section in regards to the adoption by reference with amendments to a model code within one year after its publication. This rulemaking specifically proposes to repeal certain SFM standards that are no longer necessary and proposes the adoption of new standard referenced in the California Building Standards Codes

Comparable Federal Statute or Regulations

The SFM has determined that there are no comparable federal regulations or statues addressing the fire and life safety requirements as presented in this notice.

Policy Statement Overview

The specific purpose of this rulemaking effort by the SFM is to act accordance with Health and Safety Code section 18928, which requires all proposed regulations to specifically comply with this section in regards to the adoption by reference with amendments to a model code within one year after its publication. This rulemaking specifically proposes to repeal certain SFM standards that are no longer necessary and proposes the adoption of new standard referenced in the California Building Standards Codes

The intent of those proposed actions is to adopt by reference the 2012 International Fire Code and amend said document with new and existing 2010 SFM amendments. The SFM further proposes to offer new amendments where necessary to ensure that the regulations of the California Fire Code, establish and or maintain minimum requirements for the prevention of fire and for the protection of life and property against fire and in any building or structure used or intended for use as defined in each of the Health and Safety Code references shown above in the summary of existing laws.

Evaluation of consistency

The SFM has determined that that the proposed regulations are not inconsistent or incompatible with existing state regulations addressing the fire and life safety requirements as presented in this notice.

OTHER MATTERS PRESCRIBED BY STATUTE APPLICABLE TO THE AGENCY OR TO ANY SPECIFIC REGULATION OR CLASS OF REGULATIONS

The SFM has determined that there are no other prescribed statutes or to any specific regulation or class of regulation applicable to the adoption by reference and the amendments relating to the 2013 Referenced Standards Code.

MANDATE ON LOCAL AGENCIES OR SCHOOL DISTRICTS

The SFM has determined that the proposed regulatory action would not impose a mandate on local agencies or school districts; and therefore, does not mandate state reimbursement pursuant to Part 7 (commencing with Section 17500) of Division 4 of the Government Code.

ESTIMATE OF COST OR SAVINGS

- A. Cost or Savings to any state agency: **NO**
- B. Cost to any local agency required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4: **NO**
- C. Cost to any school district required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4: **NO**
- D. Other nondiscretionary cost or savings imposed on local agencies: **NO**
- E. Cost or savings in federal funding to the state: **NO**

INITIAL DETERMINATION OF NO SIGNIFICANT STATEWIDE ADVERSE ECONOMIC IMPACT ON BUSINESSES

The SFM has made an initial determination that this proposed regulatory action would not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with business in other states.

DECLARATION OF EVIDENCE

The SFM affirms that this rulemaking action complies specifically with the mandates of Health and Safety Code Sections 13143, 18928, 18949.2(b), 18949(c) and the mandates of the statutory authority of the SFM as shown in the Informative Digest.

Therefore, the SFM's initial determination of no significant, statewide adverse economic impact directly affecting business in California and their ability to compete with businesses in other states does not require any additional evidence, documents or other evidence to support this action.

FINDING OF NECESSITY FOR THE PUBLIC'S HEALTH, SAFETY, OR WELFARE

The SFM has made an assessment of the proposed code changes and has determined that these changes would not require a report; therefore, a finding is not necessary for the health, safety, or welfare of the people of the state that the regulation is applicable to businesses.

COST IMPACT ON REPRESENTATIVE PRIVATE PERSON OR BUSINESS

The SFM is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

ASSESSMENT OF EFFECT OF REGULATIONS UPON JOBS AND BUSINESS EXPANSION, ELIMINATION OR CREATION

The SFM has assessed whether or not and to what extent this proposal will affect the following:

- The creation or elimination of jobs within the State of California.

These regulations will not affect the creation, or cause the elimination, of jobs within the State of California.

- The creation of new businesses or the elimination of existing businesses within the State of California.

These regulations will not affect the creation or the elimination of existing business within the State of California.

- The expansion of businesses currently doing business within the State of California.

These regulations will not affect the expansion of businesses currently doing business within the State of California.

- The benefits of the regulations to the health and welfare of California residents, worker safety and the State's environment.

These regulations will update and improve minimum building standards, which will provide increased protection of public health and safety, worker safety and the environment.

(See *Economic Impact of the Proposed Regulations on Private Persons and Businesses in the State of California* in the rulemaking file.)

INITIAL DETERMINATION OF SIGNIFICANT EFFECT ON HOUSING COSTS

The SFM has made an initial determination that this proposal would not have a significant effect on housing costs.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code §11346.5 subdivision (a)(13), the SFM has determined that no reasonable alternative considered by it or that has been otherwise identified and brought to the attention of the SFM would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

AVAILABILITY OF RULEMAKING DOCUMENTS
