We are a residential sheet metal contractor serving Orange County, LA and Inland Empire since 1994

We agree and fully support the proposed modifications regarding PEX tubing, as issued on July 10, 2008. This includes the modifications issued for all agencies listed:
Building Standards Commission(BSC)
Division of the State Architect-Structural Safety(DSA- SS)
Office of Statewide Health Planning and Development (OSHPD)
Housing and Community Development(HCD)

We believe that PEX tubing should be a clear option for use in any jurisdiction in California.

Thank you for your consideration,

Sincerely,

Marushkah Kurtz

President
