

**UPDATED INFORMATIVE DIGEST  
FOR  
PROPOSED BUILDING STANDARDS  
OF THE  
DIVISION OF THE STATE ARCHITECT – STRUCTURAL SAFETY (DSA-SS)  
REGARDING THE 2010 CALIFORNIA ADMINISTRATIVE CODE  
CALIFORNIA CODE OF REGULATIONS, TITLE 24, PART 1**

The Division of the State Architect finds that no have been made which would warrant a change to the informative digest contained in the Notice for Title 24, Part 1.

**Summary of the Immediately Preceding Laws and Regulations**

(Government Code Section 11346.9(b))

Education Code Section 17310 authorizes the State Architect to establish administrative building standards for public elementary and secondary schools, and Education Code Section 81142 authorizes the State Architect to establish administrative building standards for community colleges.

**Summary of the Immediately Preceding Regulations**

(Government Code Section 11346.9(b))

Administrative building standards applicable to public schools are contained in Chapter 4 of Part 1, Title 24 (California Building Standards Administrative Code). These administrative building regulations include provisions pertaining safety of construction of public schools.

With regard to this proposal, existing regulations being amended pertain to the following Articles:

- Article 2 - Definitions
- Article 3 - Approval of Drawings and Specifications
- Article 4 - Fees
- Article 5 - Certification of Construction
- Article 6 - Duties Under the Act

**Summary of Effect**

(Government Code Section 11346.9(b))

This code change proposal would permit DSA to facilitate certification. The adoption of this code change proposal is required because DSA's certification ensures a building project has been completed in accordance with requirements as to the safety of design and construction of public schools pursuant to Education Code Section 17280-17316 and 81130-81147.
