From: Joe Loyer  
California Energy Commission

Subject: ***Comments pertaining to the proposed Amendments to the 2010 California Green Building Standards Code, Part 11, Title 24.***

The California Energy Commission staff would like to thank the California Building Standards Commission and the California Department of Housing and Community Development for the opportunity to review and comment on the proposed Amendments to the 2010 California Green Building Standards Code Title 24, Part 11 (BSC 02/10).

The Energy Commission staff also appreciates the opportunity to be involved in the working group effort sponsored by the California Department of Housing and Community Development and will continue to be available for these efforts. However, after careful consideration, the Energy Commission staff have no further comments to add to our previously submitted comments regarding the proposed Amendments to the 2010 California Green Building Standards Code Title 24, Part 11.

The Energy Commission staff looks forward to future opportunities to work with the California Building Standards Commission and the California Department of Housing and Community Development on projects and activities of mutual interest.

Sincerely,

---
