

GEOTECHNICAL VERIFIED REPORT

Division of the State Architect (DSA) documents referenced within this publication are available on the [DSA Forms](#) or [DSA Publications](#) webpages.

This form shall be completed by the Responsible Geotechnical Engineer in accordance with the California Code of Regulations (CCR), Title 24, Part 1, Section 4-333/336 and DSA Procedure *PR 13-01: Construction Oversight Process*. The completed form shall be submitted to the design professional in general responsible charge, DSA, the project inspector and the school board.

PROJECT INFORMATION		
School District/Owner:		DSA File #: -
Project Name/School:		DSA App. #: -
Date of Report:	Number of Attached Pages: <i>(If none, enter zero.)</i>	DSA 152 Card #(s): <i>List all inspection card numbers for which this verified report applies.</i>
Note that DSA-approved construction documents, referred to below, are those portions of the construction documents, duly approved by the DSA, that contain information related to and affecting the Structural Safety, Fire and Life Safety and Accessibility portions of the project and include form <i>DSA 103: List of Required Structural Tests and Special Inspections</i>		

COMPLETE SECTIONS 1, 2, 3 & 4 AND PROVIDE ALL REQUIRED DOCUMENTATION		
1. NAME OF LABORATORY:		LEA #:
2. REASON FOR FILING THIS VERIFIED REPORT: <i>(Check applicable box.)</i>		
<input type="checkbox"/>	Interim Verified Report: <i>(List affected form DSA 152 Inspection Card Section Numbers): Refer to DSA Procedure 13-01 for additional information and instructions.</i>	
<input type="checkbox"/>	Final Verified Report: <i>(Completion of geotechnical engineer's duties related to the DSA-approved construction documents)</i>	
<input type="checkbox"/>	Construction work suspended for more than one month	
<input type="checkbox"/>	Termination of Geotechnical services prior to completion of testing/inspection program	
<input type="checkbox"/>	DSA Request dated:	
3. SCOPE OF GEOTECHNICAL-RELATED TESTING/INSPECTION SERVICES: <i>(Check all applicable boxes.)</i>		
<input type="checkbox"/> Engineered Fill	<input type="checkbox"/> Composite Piles	<input type="checkbox"/> Cast-In-Place Deep Foundations
<input type="checkbox"/> Footing Excavations	<input type="checkbox"/> Driven Deep Foundations	<input type="checkbox"/> Retaining Walls/Cantilevered Freestanding Walls
<input type="checkbox"/> Pre-Stressed Rock/Soil Foundation Anchors	<input type="checkbox"/> Other: <i>(Only as required in CBC chapter 17A)</i>	

Submit completed form to the DSA Regional Office with construction oversight authority for the project.

GEOTECHNICAL VERIFIED REPORT

Date of Report:	DSA App. #: -
-----------------	---------------

1. CERTIFICATIONS: <i>(Must complete A through D by checking the boxes and providing all required documentation.)</i>	
A.	<input type="checkbox"/> Qualified personnel under my supervision conducted all geotechnical-related testing and inspection services.
B.	<p>It is my professional opinion that: <i>(Check only one box.)</i></p> <p><input type="checkbox"/> For this Interim Verified Report: all geotechnical tests/inspections (identified in section 3) required by the <i>DSA-approved</i> construction documents, associated with the above noted form DSA 152 inspection card section numbers, were performed.</p> <p><input type="checkbox"/> For this Interim Verified Report: there were required geotechnical tests/inspections that were not performed <i>(List on form DSA 211 and attach to this report)</i>. All other geotechnical tests/inspections (identified in section 3) required by the <i>DSA-approved</i> construction documents, associated with the above noted form DSA 152 inspection card section numbers, were performed.</p> <p><input type="checkbox"/> For this Verified Report: all geotechnical tests/inspections (identified in section 3) required by the <i>DSA-approved</i> construction documents were performed.</p> <p><input type="checkbox"/> For this Verified Report: there were required geotechnical tests/inspections (identified in section 3) that were not performed <i>(List on form DSA 211 and attach to this report)</i>. All other geotechnical tests/inspections (identified in section 3) required by the <i>DSA-approved</i> construction documents were performed.</p>
C.	<p>It is my professional opinion that: <i>(Check only one box.)</i></p> <p><input type="checkbox"/> Geotechnical test/inspection results verify that the related material/work is in compliance with the <i>DSA-approved</i> construction documents and any noncompliance issues have been resolved.</p> <p><input type="checkbox"/> There are noncompliant geotechnical test/inspection results that have not been resolved <i>(List on form DSA 211 and attach to this report)</i>. All other geotechnical test/inspection results verify that the related material/work is in compliance with the <i>DSA-approved</i> construction documents and any associated noncompliance issues have been resolved.</p>
D.	<input type="checkbox"/> All reports pertinent to my services have been filed as required by Sections 4-335/336 of Part 1, Title 24, CCR, and all associated records will be maintained by me for at least six years from the date of this report and will be made available to the school board, design professional in responsible charge and DSA upon request.

I declare under penalty of perjury that I prepared this report and that all statements are true.

Signature of Responsible Geotechnical Engineer: _____ Date: _____
