VISION PLAN DIRECT PAYMENT AUTHORIZATION

STD. 703 (REV. 10/2019) (REVERSE)

DISCLOSURE OF SOCIAL SECURITY NUMBERS

Section 7(b) of the Privacy Act of 1974 (Public Law 93-579) requires that any governmental agency which requests an individual to disclose his/her social security account number shall inform that individual whether that disclosure is mandatory or voluntary, by which statutory or other authority such number is solicited, and what uses will be made of it.

The vision insurance carriers under contract with the State of California requests each enrollee's social security account number on a voluntary basis. However, it should be noted that due to the use of social security account numbers by the vision carriers for identification purposes, the vision insurance carriers may be unable to verify vision plan enrollment and ensure continuation of vision coverage without disclosure of the social security number.

Each vision insurance carrier may use the social security account number for enrollee verification and for eligibility processing only.
