Subject: FI\$Cal Training Available Wednesdays through Aug. 10!

This message is being sent to DGS FI\$Cal End Users.

Dear DGS FI\$Cal Learner,

We are pleased to announce that DGS FI\$Cal readiness staff will be providing **in-person, hands-on training assistance** as you continue to complete your assigned FI\$Cal training courses.

FI\$Cal training assistance

Wednesdays July 20 through Aug. 10

9 a.m. – 4 p.m.

Room 1-316, Ziggurat building

Support will be available to you and your colleagues as you navigate the FI\$Cal Training Academy (FTA), troubleshoot any technical difficulties you might encounter and address any questions or concerns that may arise as you work through training.

We highly encourage you to make use of this opportunity if you're struggling to progress through the training courses or have not yet begun them. As we move closer to go-live on August 1, 2016, it is important to remember the vital role end-user training plays in preparing you for FI\$Cal.

If you have any questions, please contact Rose Hanks, DGS Readiness Coordinator, at rose.hanks@fiscal.ca.gov or (916) 246-3461.
