

Welcome to the State Employee Transportation Survey for the Sacramento Region! State Your Mode 2009

If you work in Sacramento County or in the City of West Sacramento, this is your opportunity to give feedback to the Department of General Services about your commute choices and what motivates those choices. The Department of General Services is the State agency responsible for State office planning and development. Your anonymous responses will help us with our long-range strategic planning. The survey should take no more than 5-10 minutes. Or if you prefer, you can take the survey online at: www.dgs.ca.gov/stateyourmode. Overall survey results will be posted on our website.

The last day to submit information is July 10, 2009 (date extended) so please take our survey today!
