"Power of Many"
Keep California Beautiful along with sponsors and partners will celebrate Earth Day, April 19, 2012, with a kick-off event at the State Capitol, followed by litter collection, recycling and beautification activities throughout California.

Recycle your e-waste for FREE for EARTH DAY!

Thursday April 19th

On Thursday April 19th, 2012, do your part to recycle with Keep California Beautiful (KCB), California Electronic Asset Recovery (CEAR) & McDonald's. Between 8 am and noon, 28 McDonald's locations across Northern & Central California

have partnered with KCB and CEAR to conveniently and responsibly recycle your e-waste for FREE. Proceeds will go to support the ongoing efforts of KCB.

State Capitol Location: Traffic Circle-Jesse Unruh Building

We encourage downtown businesses, employees and agency staff to bring all e-waste/techno trash to this location during expanded hours of 7:00 am to 4:30 pm. You can drive through, bike through or walk up!

It is as easy as 1,2,3: Put your e-waste in your car.....bring your e-waste to one of the locations.....pop your trunk!
