

“Tis the season...time for giving”

For the past 34 years, State employees from the Sacramento Metropolitan area have joined together to help our community by participating in the State Employees’ Food Drive. Last year the State collected over 700,000 pounds of food by collecting canned goods and cash donations. This effort directly benefited families, seniors, and children in our area. This year’s goal is to exceed one million pounds of food. In order to accomplish this goal, we need your help.

This year’s slogan, **“Tis the season...time for giving”** reflects the need for selfless generosity during the holidays. Linda Mata, from the Executive Office, has volunteered to coordinate this year’s food drive for DGS.

We donated over 30,000 pounds of food by collecting canned goods and cash last year. This year our goal is to exceed 40,000 pounds and we need your help. Please select an enthusiastic employee as your food drive co-coordinator to assist Linda. Contact Linda by Friday, November 16 with names of employees who are willing to assist.

“Tis the season...time for giving”, help us make this year’s food drive a great success. Your efforts and contributions will support area families less fortunate than you and me. Please distribute this e-mail to your staff.

Happy Holidays!

Will Bush
