

## **Applications Being Accepted for the 2012 GEELA**

California continues to be a world leader in blazing the trail toward a greener, more sustainable future and in proving that environmental protection and economic development go hand in hand. In order to celebrate California companies and organizations providing the environmental and entrepreneurial leadership that keeps our state on the right path, we are pleased to announce the posting of the application for the 2012 Governor's Environmental and Economic Leadership Awards (GEELA). Applications will be accepted until June 22, 2012.
