

ZERO-EMISSION VEHICLE EVENT

**Monday, April 29, 2013 • 10:00 am
California State Capitol • West Steps**

Please join the Department of General Services (DGS) for an event to showcase the electric vehicles and plug-in hybrid electric vehicles currently available on statewide contract.

Be sure to also check out the emerging technology section of the event, featuring Toyota Highlander and Nissan X-Trail hydrogen fuel cell vehicles from the California Air Resources Board.

For further information contact **Rebecca Kirk**
916.376.5019 • rebecca.kirk@dgs.ca.gov

10:00–11:00

Capitol West Steps

Learn about the zero-emission vehicle goals and requirements outlined in Governor Brown's Executive Order B-16-12.

11:00–1:00

**Capitol West Steps and
Curbside on 10th Street**

Browse vehicle displays, test drive an electric vehicle, and see a ChargePoint electric vehicle charging station in action. Speak with DGS procurement and fleet officials who can provide information on the vehicle acquisition process for state agencies.
