October 30, 2003

Ms. Diane F. Boyer-Vine  
Legislative Counsel  
State Capitol, Room 3021, B-30  
Sacramento, CA 95814

Dear Ms. Boyer-Vine:

The Department of General Services (DGS) is submitting the *Annual Report to the State Legislature – 2003 Surplus Proprietary Lands*, pursuant to Government Code Section 11011. There were no excess proprietary lands submitted for surplus declaration for inclusion in the Fiscal Year 2002/2003 Omnibus Bill as of the report's January 1, 2003, effective date. This report identifies and describes the following items:

- *Section 1*--Surplus proprietary lands which were disposed of during Fiscal Year 2001/2002 (July 1, 2001, thru June 30, 2002);
- *Section 2*--Surplus proprietary lands which were rescinded in the Omnibus Bill Chapter 974, Statutes of 2002; and
- *Section 3*--Surplus proprietary lands pending disposition (as of December 31, 2002).

Average annual revenue from the disposal of surplus proprietary lands was \$35,764,240.00 during the last five fiscal years. In Fiscal Year 2001/2002, the total revenue was \$149,364,700.00.

Unless otherwise authorized by surplus legislation, the surplus proprietary lands were offered first to state and local agencies consistent with Government Code Section 11011. Surplus lands not acquired by government agencies were typically marketed under open, competitive bidding conditions. Surplus proprietary lands, which were not conveyed by the end of Fiscal Year 2001/2002, are identified in Section three of this report. Section three also includes those surplus proprietary lands that were conveyed after the end of the Fiscal Year 2001/2002 and before January 1, 2003, the effective date of this report. These subsequent conveyances will be included in the 2004 report.

If you need further information, you may have your staff contact Dwight Weathers, Assistant Chief, Real Estate Services Section, Professional Services Branch, Real Estate Services Division, Department of General Services, at (916) 375-4153.

Sincerely,

William J. Jefferds, Ed.D.  
Director, Department of General Services

## Overview

The Department of General Services (DGS) has prepared this report for presentation to the Legislature, pursuant to Government Code Section 11011. This report, effective January 1, 2003, identifies and describes the following:

- Section 1. Surplus proprietary lands disposed of during fiscal year 2001/2002 (July 1, 2001, thru June 30, 2002);
- Section 2. Surplus proprietary lands rescinded in the Omnibus Bill, Chapter 974, Statutes of 2002; and
- Section 3. Surplus proprietary lands pending disposition (as of December 31, 2002).

The report does not include a Section Four for proprietary lands to be included in the 2003 Omnibus Bill as none were submitted by state agencies for inclusion (as of December 31, 2002).

Pursuant to Government Code Section 11011, the disposal of surplus proprietary lands begins with priority offerings to state agencies and local agencies. Surplus lands that are not acquired by government agencies are typically marketed by the DGS under open, competitive bidding conditions. Where authorized, properties may be sold for less than market value subject to specific conditions that are determined to be in the best interest of the state.

Revenue from the disposal of surplus proprietary lands during fiscal year 2000/2001 totaled \$149,364,700 from the sale of six properties. Of these, three were sold for less than market value pursuant to legislative authorization. Over the last five fiscal years, annual revenues fluctuated broadly (see the chart that follows); however, the average annual revenue was \$35,764,240 during this period.

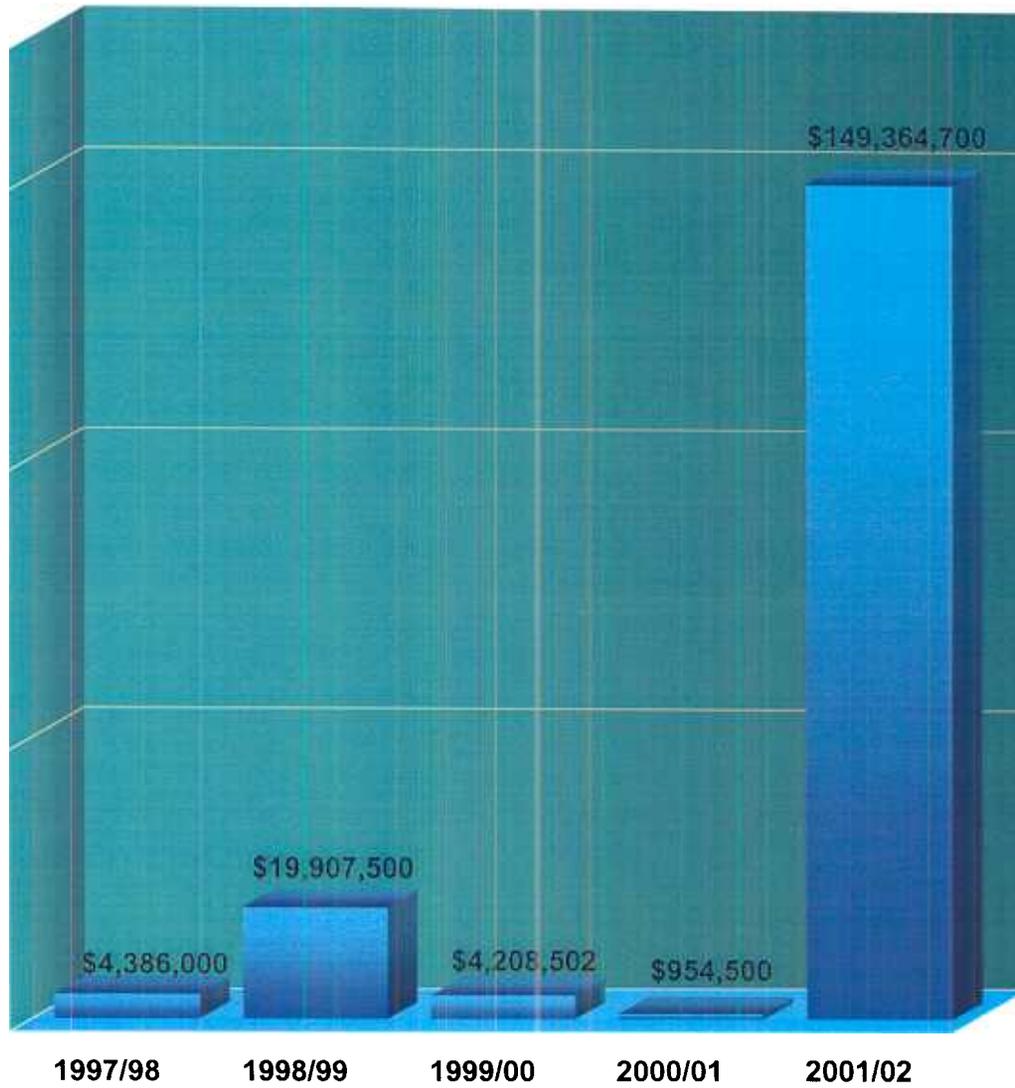

All remaining surplus proprietary lands, which were not conveyed by the conclusion of the last fiscal year (2001/2002), nor rescinded in the Statutes of 2002, are identified in the last section of this report, Section Three.

Included in the addenda are two lists of all properties reported in Sections one through three. The first list is sorted alphabetically by county; the second is sorted alphabetically by agency.
