

COMING SOON...
**A BETTER WAY TO DO
BUSINESS WITH THE
STATE OF CALIFORNIA**

California's Online Marketplace

Beginning December 2015, Cal eProcure will replace BidSync as the home for the state of California contracting and procurement resources. This single, user-friendly online portal will allow:

Registering and maintaining supplier profile

Viewing of state bidding opportunities

Applying for Small Business and Disabled Veteran Business Enterprise (SB/DVBE) certification

Searching for certified SB/DVBEs

Viewing registered state procurements and contracts

Sign up at www.dgs.ca.gov/CALeProcure to receive updates about the launch of Cal eProcure.
