Access Code Update Stakeholder Forum No. 5
Chapter 11B, Division 5: General Site and Building Elements
Chapter 11B, Division 10: Recreational Facilities
Thursday, June 21, 2012
9:00 a.m. – 4:00 p.m.

Division of the State Architect
DSA HQ – Sacramento
1102 Q Street, Suite 5100
Sacramento, CA 95811
(916) 445-8100

DSA is preparing the update of California's 2013 building code for accessibility and is seeking input and comments from accessibility stakeholders, interested parties and the general public through a series of Access Code Forums to be held in May, June and July of 2012. This Forum is the fifth of seven to be held throughout California; a complete list of the Forum dates, locations and discussion topics can be found at:

http://www.documents.dgs.ca.gov/dsa/access/Access2013-OutreachNewsletter_rev04-25-12.pdf

These workshops provide the first opportunities for public input as DSA reconciles the recently adopted federal accessibility requirements with the existing State building codes. Ultimately, these proposed changes will be submitted to the California Building Standards Commission for additional public review and comment prior to adoption and approval.

The meeting facilities are accessible. This material is available in alternate formats upon request. Requests for alternate formats and special accommodations (assisted listening device, teleconference equipment, etc.) should be directed to Sue Moe at (916) 323-1687 or by e-mail to DSAAB@DGS.CA.Gov no later than 7 working days before the meeting date.
