ATTACHMENT 1

CONTRACT NO. 32A0040

SHEET 1 of 4

FOR: Contractor shall furnish all equipment, tools, materials (including solvents) to service state-owned parts cleaners (COMS) and furnish and service units as indicated in Appendix A.

Total Bid Amount \$ _____ (from page 4 of Appendix A)
All bids items must be completed or bid will be rejected.

1. The undersigned, as bidder, declares that the only persons or parties interested in this bid proposal as principals are those named herein; that this proposal is made without collusion with any other person, firm or corporation; and the bidder has carefully examined the Notice to Bidders, the proposed form of contract, and the special provisions therein referred to, and proposes and agrees, if this proposal is accepted, that the bidder will contract with the State of California to provide all necessary labor, materials, tools or equipment in the time and manner, and in full payment therefor, and at the prices shown below or on Page 2 of 2 of this form.
2. The Department of Transportation hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.
3. The bid of any contractor who is currently in default with Caltrans on a contract already awarded may be accepted; however, bidder understands that any costs associated with the default will be paid prior to award or deducted from the proceeds of any newly awarded contract.
4. If the bidder is awarded the contract and refuses to sign the contract presented for signature within the time and manner required, the bidder will be liable to the Department of Transportation for actual damages resulting to the Department therefrom or 10% of the amount bid, whichever is less. Contractor will be placed on a default status. Default is defined as (1) being within a period of liquidated damages on uncompleted work, or (2) under notice to begin or complete a contract where work has not commenced or was suspended without cause, or (3) where contract is terminated for contractor failing to perform services required by the contract in a satisfactory manner.
5.
 - a. After award of contract and execution of the contract, should the contractor fail to commence work within five (5) working days after notification of the starting date, or suspend work for a period of five (5) continuous working days after work has begun, the State may provide five (5) calendar days written notice, posted at the job site or mailed to the contractor, to timely prosecute and complete the work or the contract may be terminated and liquidated damages of \$500.00 may be assessed for administrative costs for rebidding the work or awarding the work to another contractor.
 - b. In addition, the Contractor shall be liable to the State for the difference between the Contractor's bid price and the actual cost of performing the work by the second low bidder or by another contractor.
