¹ This was the initial year OAH held the contract with the California Department of Education to conduct special education due process hearings. The case filings for fiscal year 2005-2006 are artificially inflated due to the number of cases in “off-calendar” status which were transferred to OAH from the Special Education Hearing Office, the previous contract holder, for resolution.

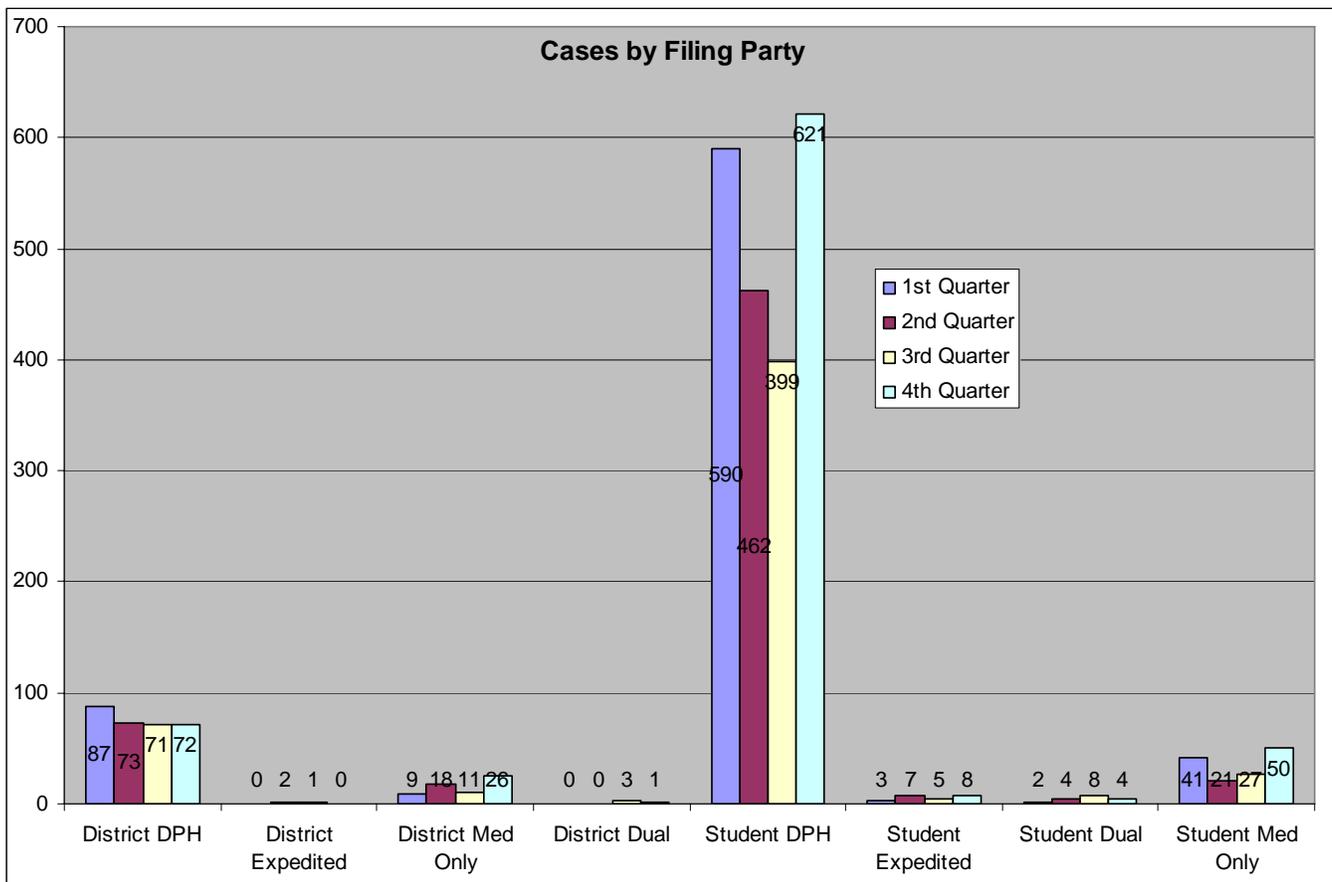

Matters filed – Month to Month Comparison

Cases by Filing Party

Overall, the cases filed are comprised of 621 student filed cases, 72 district filed cases, eight student filed expedited hearings, four student filed cases involving expedited and non-expedited issues (dual hearings), and one district filed cases involving expedited and non-expedited issues (dual hearings). Additionally, 50 student filed and 26 district filed mediation only requests were received.

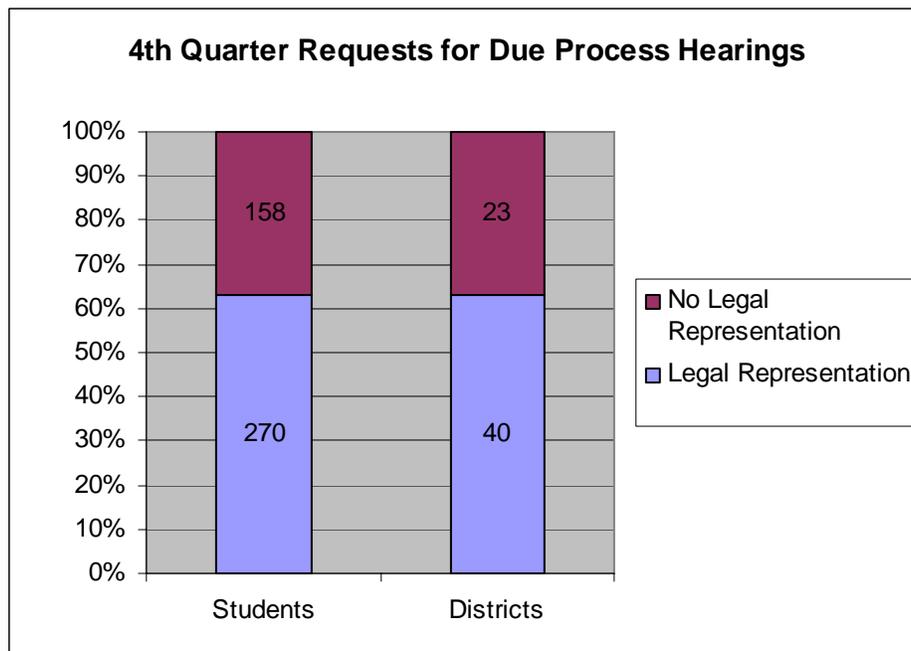

| Case Type | 1 st Quarter | 2 nd Quarter | 3 rd Quarter | 4 th Quarter | Year to Date |
|--------------------|-------------------------|-------------------------|-------------------------|-------------------------|--------------|

Legal Representation

The requests for due process hearing (DPH) filed by students were filed with legal representation in 63 percent of student filed cases (428 cases). The requests for due process hearing filed by districts were filed with legal representation in 63 percent of cases (63 cases).

| | 1 st Quarter ² | 2 nd Quarter ³ | 3 rd Quarter | 4 th Quarter | Year to Date |
|---------------------------------------------|--------------------------------------|--------------------------------------|-------------------------|-------------------------|--------------|
| Students Requests filed with Representation | 581 | 334 | 287 | 428 | 1630 |
| District Requests filed with Representation | 438 | 59 | 68 | 63 | 628 |

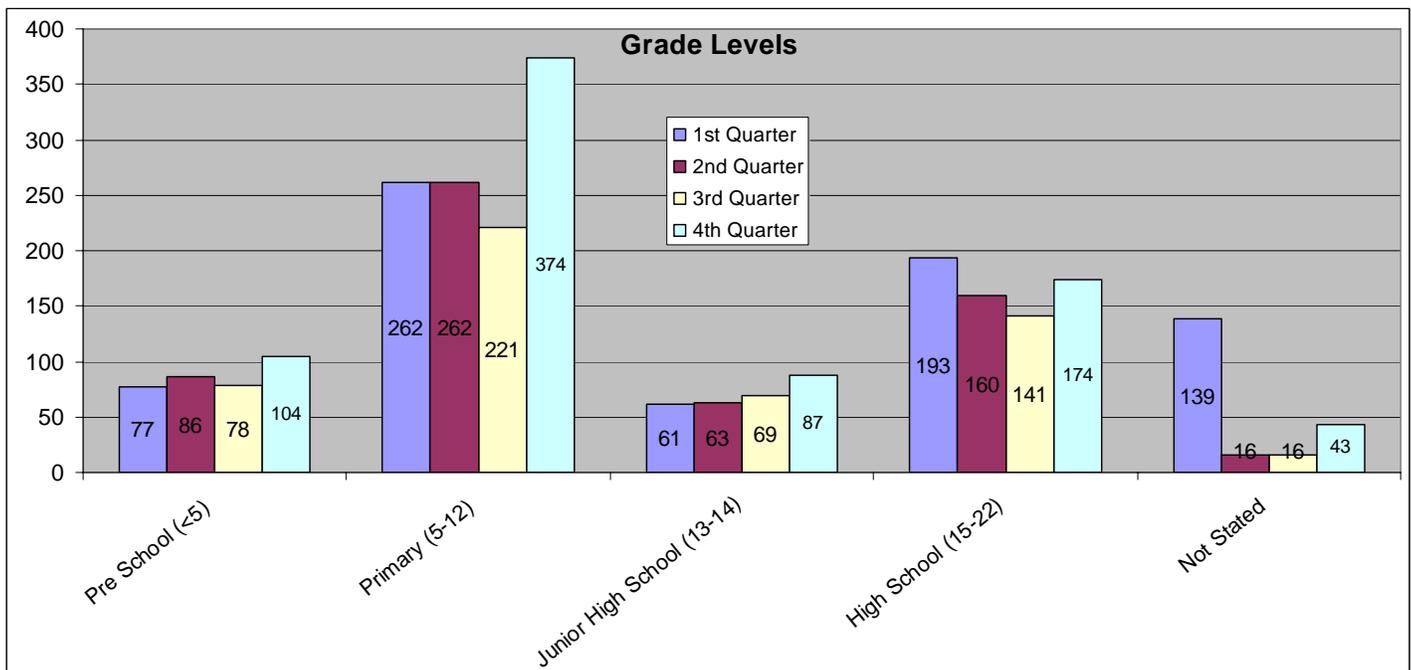

Grade Level

The majority of cases originated from students in the primary grades (374 cases) followed by those in high school (174 cases), preschool (104 cases), and junior high school (87 cases). Data on the grade level of the student was not specified in 43 of the case filings.

² For the 1st Quarter of this fiscal year, due to limitations in the previous case management system used by OAH, data related to the number of cases with legal representation was collected when the case was closed. Implementation of OAH’s new case management system (Practice Manager) now permits collection of data related to case filings with legal representation at the time the case is filed. Thus, the 1st quarter data related to legal representation is not comparable to that of the remainder of the fiscal year.

³ This is the first quarter where this data was collected based on identified representation when the case was filed.

STUDENTS OF COLOR

CDE has requested OAH collect data on the number of “students of color accessing the system.” To facilitate this request, effective January 1, 2007, OAH amended its due process hearing request form to include this request. However, not all hearing requests are made using the OAH form. This quarter, 15 students self reported as being a “student of color” and 32 students self reported as not being a “student of color.” The remaining students did not state if they were a “student of color.”

This quarter, OAH received 33 requests for transcripts. Data on the number of appeals and appellate outcomes is collected on an ongoing basis. It includes all cases that OAH was notified were appealed since July 2005. Since July 2005, four decisions have been remanded, two decisions were reversed, nine decisions have been upheld, and 31 cases were dismissed, settled or withdrawn by the parties. Due to the difficulty in identifying which cases are appealed and the appellate outcomes, parties are invited to notify OAH of any cases not included below or outcomes that are not identified below.

MEDIATION AND HEARING EVALUATIONS

Under its contract with CDE, OAH is required to send evaluations to all parties attending mediations and hearings. The evaluations contain a 1 through 5 rating scale with 1 being Poor/Very dissatisfied and 5 being Excellent/extremely satisfied. The evaluations ask the parties to evaluate the mediation, the administrative law judge and OAH in general.

This quarter, 417 mediation evaluations were returned to OAH. Evaluations were completed by parents (74 cases), legal counsel for parents (29 cases), parent advocates (11 cases) school district representatives (124 cases), and legal counsel for district (31 cases). In 148 cases, the evaluator did not indicate their role in the mediation.

⁹ Stayed proceeding and remanded to OAH for ALJ to explain whether it considered District's evidence in determining that District denied Student a FAPE and did not conduct an assessment.
