Governor Edmund G. Brown Jr.

Free/Reduced Cost Special Education Advocate Listed Alphabetically

On September 28, 2017, the California Attorney General's Office issued an opinion addressing the participation of advocates in special education proceedings before the Office of Administrative Hearings. You are encouraged to read the opinion if you are considering retaining the services of an advocate. The opinion can be found at: https://oag.ca.gov/system/files/opinions/pdfs/14-101_1.pdf.

OAH is required to maintain a list of free or low cost attorneys and advocates and make that list available to the public. The advocates listed on this list self-certify that they are free or low cost. You should contact the individual advocate and determine what free or low cost services they provide. OAH does not represent that the individuals placed on the list offer free or low cost services. It is important that if you choose to use the list that you contact the advocates to discuss their fees.
