Free/Reduced Cost Special Education Attorneys Listed Alphabetically

OAH is required to maintain a list of free or low cost attorneys and advocates and make that list available to the public. The attorneys listed on this list self-certify that they are free or low cost. You should contact the individual advocate and determine what free or low cost services they provide. OAH does not represent that the individuals placed on the list offer free or low cost services. It is important that if you choose to use the list that you contact the attorneys to discuss their fees.
