

OAH WEBSITE RE-DESIGN

OAH is in the process of a total re-design of our existing website to provide a more accessible, user-friendly source of information to parents, attorneys, school districts, and the public. We currently anticipate that our new website will go-live at the beginning of July 2018.

This is an exciting opportunity for you, our end users, to provide input. We are therefore asking for input as to:

- **What information do you want to see on the website**
- **What information do you use most**
- **What information do you think we do not need**
- **What would you like to see added**

This information may be submitted by email to Laurie Crom at:

Laurie.crom@dgs.ca.gov

or at one of our upcoming public meetings currently scheduled for the afternoons on March 12th in Northern California and March 26th in Southern California. This will be an in-person meeting and will not be streamed via the internet. If you will be attending at either of these, please let OAH know by sending an email to Laurie Crom at:

laurie.crom@dgs.ca.gov

on or before March 1, 2018. Also, please let us know if you need an interpreter.
