

**Office of Administrative Hearings
Special Education Advisory Committee**

Recommendations from October 17, 2014 Meeting

The Office of Administrative Hearings Special Education Advisory Committee met on October 17, 2014, in Sacramento and Van Nuys. The meeting was conducted via videoconference and was also available to the public through a webcast accessed on OAH's web site. The joint meeting followed one agenda. During the meeting, the committee voted to make one recommendation to change or improve OAH's processes. After reviewing and considering the recommendation, OAH provides this response.

Hearing and Mediation Processes

Item 3b. *Revising FAQs and Guide to Understanding Special Education Due Process Hearings.*

Recommendation: The Committee recommended that OAH research all issues of joint custody and educational rights and their impact, if any, on serving the non-filing parent with the request for hearing or mediation, and report back.. The recommendation passed in both Northern and Southern California.

OAH adopts this recommendation.
