

BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

LOS ANGELES UNIFIED SCHOOL
DISTRICT.

OAH CASE NO. 2010041070

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On April 20, 2010, Student filed a [Due Process Hearing Request]¹ (complaint) naming Los Angeles Unified School District (District) as respondent.

On May 5, 2010, District filed a Notice of Insufficiency (NOI) as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.³ These requirements prevent vague and confusing complaints, and promote fairness by providing the named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁴

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under Title 20 United States Code section 1415(b)(7)(A).

² 20 U.S.C. § 1415(b) & (c).

³ 20 U.S.C. § 1415(b)(7)(A)(ii)(III) & (IV)

⁴ See, H.R.Rep. No. 108-77, 1st Sess. (2003), p. 115; Sen. Rep. No. 108-185, 1st Sess. (2003), pp. 34-35.

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁵ The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.⁶ Whether the complaint is sufficient is a matter within the sound discretion of the ALJ.⁷

DISCUSSION

Student’s complaint alleges one claim, which is insufficiently pled, in that it fails to provide District with the required notice of a description of the problem and the facts relating to the problem. Specifically, Student alleges District unlawfully eliminated Student’s accumulated magnet points as a result of District’s failure to hold, pursuant to Student’s request, an IEP meeting to discuss Student’s placement. Student’s sole resolution seeks restoration of the magnet points. The complaint does not adequately explain how the elimination of magnet points relates to a denial of FAPE.

ORDER

1. Student’s complaint is insufficiently pled under section 1415(c)(2)(D).
2. Student shall be permitted to file an amended complaint under section 1415(c)(2)(E)(i)(II).⁸ The filing of an amended complaint will restart the applicable timelines for a due process hearing. Parents are advised that under Education Code section 56505, a parent who is not represented by an attorney may request that OAH provide a mediator to assist the parent in identifying the issues and proposed resolutions that must be included in a complaint. Parents are encouraged to contact OAH for assistance in amending their due process complaint.
3. The amended complaint shall comply with the requirements of section 1415(b)(7)(A)(ii), and shall be filed not later than 14 days from the date of this order.
4. If Student fails to file a timely amended complaint, the complaint will be dismissed.
