OFFICE OF ADMINISTRATIVE HEARINGS  
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

SAN DIEGUITO UNION HIGH SCHOOL  
DISTRICT.

OAH CASE NO. 2011070189

ORDER DENYING STUDENT'S  
REQUEST FOR AN ORDER OF  
INTERIM PLACEMENT

On August 26, 2011, Student filed with OAH a request for an interim placement of Student pending resolution of the instant matter. On August 26, 2011, San Dieguito Union High School District (District) filed its opposition.

Student filed his due process request (complaint) contesting his placement by the District. In his complaint, Student seeks to be placed at the Earl Warren Middle School in lieu of the District's IEP placement at Oak Crest Elementary School. This is the subject of the upcoming due process hearing. Student offers no legal authority to support his position that he is entitled to an order of interim placement. Accordingly, the request is without merit at this time.

Student's request for an interim placement is DENIED.
