In the Matter of:

STUDENT,

v.

POTTER VALLEY COMMUNITY
UNIFIED SCHOOL DISTRICT.

OAH CASE NO. 2014050882

ORDER OF DETERMINATION OF
SUFFICIENCY OF DUE PROCESS
COMPLAINT

On May 19, 2014, Student filed a due process hearing request¹ (complaint) naming the Potter Valley Community Unified School District (Potter Valley).

On June 3, 2014, Potter Valley filed a notice of insufficiency (NOI) as to Student's complaint.

APPLICABLE LAW

The named parties to a due process hearing request have the right to challenge the sufficiency of the complaint.² The party filing the complaint is not entitled to a hearing unless the complaint meets the requirements of Title 20 United States Code section 1415(b)(7)(A).

A complaint is sufficient if it contains: (1) a description of the nature of the problem of the child relating to the proposed initiation or change concerning the identification, evaluation, or educational placement of the child, or the provision of a free appropriate public education (FAPE) to the child; (2) facts relating to the problem; and (3) a proposed resolution of the problem to the extent known and available to the party at the time.³ These requirements prevent vague and confusing complaints, and promote fairness by providing the

¹ A request for a due process hearing under Education Code section 56502 is the due process complaint notice required under Title 20 United States Code section 1415(b)(7)(A).

named parties with sufficient information to know how to prepare for the hearing and how to participate in resolution sessions and mediation.⁴

The complaint provides enough information when it provides “an awareness and understanding of the issues forming the basis of the complaint.”⁵ The pleading requirements should be liberally construed in light of the broad remedial purposes of the IDEA and the relative informality of the due process hearings it authorizes.⁶ Whether the complaint is sufficient is a matter within the sound discretion of the Administrative Law Judge.⁷

DISCUSSION

Student alleges four issues in the complaint. Three of the issues – issue one (failure by Potter Valley to perform complete and proper assessments of Student), issue three (failure to prepare an appropriate individual transition plan), and issue four (failure to produce complete Student records) – are sufficient to put Potter Valley on notice as to the basis of the complaint, and are sufficient to permit Potter Valley to participate in a resolution session and mediation.

Issue two (failure to provide an adequate education program) is a bit more problematic, because it is stated more generally, but the facts alleged as part of that issue clarify that it is based on an alleged failure to provide sufficient specialized academic instruction, transition services, behavior intervention and counseling. While that issue could be more specifically pled, it is sufficient for purposes of an NOI. Any ambiguities can be clarified during the prehearing conference.

Potter Valley also challenges the resolutions requested in the complaint. A complaint is required to include proposed resolutions to the problem, to the extent known and available

to the party at the time. (20 U.S.C. §1415(b)(7)(A)(ii)(IV).) Student has met the statutorily required standard of stating a resolution to the extent known and available to him at the time.
