APPLICABLE LAW

Although no statute or regulation specifically provides a standard to be applied in deciding a motion to consolidate special education cases, OAH will generally consolidate

matters that involve: a common question of law and/or fact; the same parties; and when consolidation of the matters furthers the interests of judicial economy by saving time or preventing inconsistent rulings. (See Gov. Code, § 11507.3, subd. (a) [administrative proceedings may be consolidated if they involve a common question of law or fact]; Code of Civ. Proc., § 1048, subd. (a) [same applies to civil cases].)

An amended complaint may be filed when either (a) the other party consents in writing and is given the opportunity to resolve the complaint through a resolution session, or (b) the hearing officer grants permission, provided the hearing officer may grant such permission at any time more than five (5) days prior to the due process hearing. (20 U.S.C. §1415(c)(2)(E)(i).) The filing of an amended complaint restarts the applicable timelines for the due process hearing. (20 U.S.C. §1415(c)(2)(E)(ii).)

A due process hearing must be held, and a decision rendered, within 45 days of receipt of the complaint, unless a continuance is granted for good cause. (Ed. Code, §§ 56502, subd. (f) & 56505, subd. (f)(1)(C)(3).)

## DISCUSSION

Here, the Student's Case, as amended, and District's Case involve common questions of law or fact, specifically, District's reliance on prior District's assessment as a basis for an individualized educational program and resulting offer of a free, appropriate public education, and Student's subsequent request for an independent educational evaluation. Student does not oppose the motion. In addition, consolidation furthers the interests of judicial economy because it will prevent duplication of evidence and the possibility of inconsistent decisions. Accordingly, consolidation is granted.

Additionally, the motion to amend is timely and is granted. The amended complaint shall be deemed filed on the date of this order. All applicable timelines shall be reset as of the date of this order. OAH will issue a scheduling order with the new dates.

District's motion to continue the hearing is moot as Student's filing of a first amended complaint will reset the timeline.

## ORDER

1. District's Motion to Consolidate is granted, consolidating Student's Case, OAH Case Number 2015071255, with District's Case, OAH Case Number 20151009591.
