OAH CASE NO. 2008100500

ORDER GRANTING REQUEST FOR
CONTINUANCE AND SETTING NEW
DATE FOR THE FILING OF WRITTEN
CLOSING ARGUMENTS

Written closing arguments in this case are presently due at 5:00 p.m. on Monday, April 26, 2010. On April 21, 2010, counsel for both parties requested a telephonic conference call in order to discuss Student's request for a further continuance based upon his counsel's continuing health issues. During the conference call, counsel for Student requested two weeks additional time in order to file written closing arguments due to health concerns. Counsel for the District did not oppose the request.

Good cause appearing, Student's motion for continuance is granted. The parties' written closing briefs are now due at 5:00 p.m. on May 10, 2010, at which time this matter will be submitted for decision. The due date for decision in this case will be based upon the new filing date for closing briefs.

IT IS SO ORDERED.
