

BEFORE THE  
OFFICE OF ADMINISTRATIVE HEARINGS  
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

WESTSIDE UNION SCHOOL DISTRICT.

OAH Case No. 2015050832

ORDER DENYING MOTION FOR  
STAY PUT

On June 23, 2015, Student filed a motion for stay put. No opposition has been received from District, but the proof of service attached to Student's motion indicates that the motion was not served on District's counsel.

Student's counsel was served with the notice of representation identifying District's counsel as District's representative on May 19, 2015. Student's motion for stay put was apparently faxed to an individual at a District fax number, but that individual is not the District's representative in this matter. Accordingly, Student's motion for stay put is denied without prejudice to re-filing with a proof of service on District's representative of record.

IT IS SO ORDERED.
