OAH Case No. 2015060035

TEHACHAPI UNIFIED SCHOOL DISTRICT,

v.

CHARIS QUATRO, PARENT(S) ON
BEHALF OF RYAN QUATRO, STUDENT.

OAH Case No. 20150611768

NOTICE AND ORDER OF DISMISSAL
OF DISTRICT'S CLAIMS AND ORDER
SETTING BRIEFING SCHEDULE

At hearing in this matter, counsel for the parties entered oral stipulations into the trial record indicating settlement and withdrawal of all of District's claims in the consolidated case.

At hearing on November 17, 2015, Parent signed a consent to a comprehensive assessment of Student. That signed consent was entered as trial exhibit 9. Parent's consent to assessment settled the second of District's two remaining issues for hearing in the matter, as to whether District could conduct comprehensive assessments pursuant to its June 2, 2015 and July 9, 2015 assessment plans without parental consent.

At hearing on December 1, 2015, the parties stipulated on the record that they had settled District's remaining issue as to whether District's psycho-educational assessment was appropriate such that Student is not entitled to a publicly funded independent psycho-educational assessment. The parties stated on the record that the District would be funding an independent educational psycho-educational evaluation of student, and that neither party would be deemed to be a prevailing party or seek an award of attorney's fees in connection with District's case.

Accordingly, District's claims in the consolidated case are dismissed as settled and withdrawn, and the matter shall proceed solely on student's claims. Final briefs must be filed on or before December 16, 2015. The matter will stand submitted for decision on 5:00 p.m., December 16, 2015, whether or not the parties have submitted briefs. The 45-day

timeline for decision shall be based on the date of filing of the complaint in OAH Case Number 2015060035 (Student's case).

IT IS SO ORDERED.

Dated: December 4, 2015
