

BEFORE THE
OFFICE OF ADMINISTRATIVE HEARINGS
STATE OF CALIFORNIA

In the Matter of:

PARENT ON BEHALF OF STUDENT,

v.

MERCED CITY ELEMETRY SCHOOL
DISTRICT.

OAH Case No. 2015090062

NOTICE OF INTENT TO TAKE NO
ACTION

On January 22, 2016, Student moved to dismiss this action. The Office of Administrative Hearings has closed this matter. On February 5, 2016, Dr. Christopher K. Slaton, a “Human Learning Consultant” filed a document which can best be described as incomprehensible, seeking some type of relief. Dr. Salton is not a party to this matter, and does not represent a party in this matter. The document was not served on Parent, or Student’s counsel of record. The document seems to concern a dispute that Dr. Salton has with the education agency. The document asserts that Dr. Salton is entitled to “due process” from OAH.

This matter is closed and OAH has no further jurisdiction over this matter. Furthermore, Dr. Salton is not a child with a disability, does not represent a child with a disability or the parent of such a child, is not an education agency and does not represent an education agency. In addition to OAH having no further jurisdiction over this matter, Dr. Salton has no standing in this matter. Accordingly, OAH will take no action on Dr. Salton’s February 5, 2016 filing. Furthermore, OAH may not respond to any further correspondence from Dr. Salton concerning this matter.
